

**put your hand in the hand**

put your hand in the hand of the man who  
stilled the water  
put your hand in the hand of the man who  
calmed the sea  
take a look at yourself and you can look at  
others differently  
by putting your hand in the hand of the man  
from galilee

everytime i look into the holy book i wanna  
tremble  
when i read about the part where a carpenter  
cleared the temple  
for the buyers and the sellers were no  
different fellas than what i profess to be  
and it causes me shame to know i'm not the  
guy that i should be

put your hand in the hand of the man who  
stilled the water  
put your hand in the hand of the man who  
calmed the sea  
take a look at yourself and you can look at  
others differently  
by putting your hand in the hand of the man  
from galilee

mama told me how to pray before i reached  
the age of seven  
and when i'm down on my knees that's when  
i'm close to heaven  
daddy lived his life with two kids and a wife  
he do what he must do  
but he showed me enough of what it takes to  
get you through

**precious lord - you've got a friend**

when you're down and troubled  
you need some loving care  
and nothing, ain't nothing going right  
close, close your eyes  
and meditate on him  
and soon he will be there  
god can brighten up  
he can brighten up your darkest hours

precious lord, take my hand  
lead me on, let me stand  
i am tired, i am weak, i am worn  
through the storm, through the light  
lead me on to the light  
take my hand, precious lord  
be my friend

you just call out his name  
and you know wherever you are  
he will be there to see you again  
winter, spring, summer and fall  
all you have to do is call  
and he'll be there  
you got a friend  
you got a friend

precious lord, take my hand  
lead me on, let me stand  
i am tired, i am weak, i am worn  
through the storm, through the light  
lead me on to the light  
and he'll be there  
you got a friend

## how i got over

how i got over, how i got over  
you know my soul looks back and wonder  
how i got over

just as soon as i see jesus  
the man who made me free  
he was the man who bled and suffered  
you know he died for you and me

i wanna thank you because you brought me  
i wanna thank you because you taught me  
i wanna thank you because you kept me  
i wanna thank you because you never left me

i wanna sing (hallelujah)  
i just wanna shout this evening  
my soul looks back and wonder how i got  
over

how i got over, how i got over  
you know my soul looks back and wonder  
how i got over

i'm gonna wear a diamond „gym“  
in the new jerusalem  
i will walk those streets of gold  
in the homeland of the soul

i'm gonna view the host in white  
who travelled through day and night  
coming up from every nation  
on the way to the great cognation

i'm gonna sing (hallelujah)  
ooh, i'm gonna shout this evening  
i'm gonna thank god for being so good to me

thank you, lord – thank you

i'm gonna sing (hallelujah)  
i'm gonna shout this evening  
my soul looks back and wonder  
how i got over

how i got over, over  
my soul looks back and wonder  
how i got over

come on baby, take me baby  
hold me baby , love me baby  
can't you see i need you baby  
can't you see that i'm lonely

come on baby and take my hand  
come on baby and be my man  
`cause i love you, `cause i want you  
can't you see that i'm lonely

take me baby , love me baby  
need me baby , can't you see that i'm lonely

## waiting on an angel

waiting on an angel  
one to carry me home  
hope you come to see me soon  
`cause i don't want to go alone  
i don't want to go alone

now angel won't you come by me  
angel hear my plea  
take my hand, lift me up  
so that i can fly with thee  
so that i can fly with thee

and i'm waiting on an angel  
and i know it won't be long  
to find myself a resting place  
in my angel's arms  
in my angel's arms

so speak kind to a stranger,  
`cause you'll never know  
it might be just an angel come  
oh – knocking at your door  
oh – knocking at your door

and i'm waiting on an angel  
and i know it won't be long  
to find myself a resting place  
in my angel's arms  
in my angel's arms

waiting on an angel  
one to carry me home  
hope you come to see me soon  
`cause i don't want to go alone  
i don't want to go alone  
don't want to go  
i don't want to go alone
